

MICRONIC

Traceable Sampling Solutions

New Micronic Starter Pack Promo

An updated starter pack to help your lab begin efficiently storing and tracing samples.

Promotion valid July 1st, 2010 to September 30th, 2010

Micronic Tubes

SampleWare

SampleScan Plus

Micronic TPE Caps

Micronic Decappers

A new addition to the Micronic line of Starter Packs — offering you the same traceability, but at a smaller size, with the SampleScan Plus single tube reader included.

The starter pack includes:

- 960 Tracker 2D barcoded tubes in racks (available in 0.50mL - 1.40mL volumes)
 - 960 TPE Pushcap or Screw Caps
 - 1 manual decapper
 - SampleWare Version 3.1 Starter Edition
 - SampleScan Plus single tube barcode reader
- ... all for the low price of \$3,535 for TPE Caps/Tubes or \$3,785 for Screw Caps/Tubes
— a 25% savings from buying each component individually!
