### SecurTainer™ — Tamper Evident Specimen Containers

- Designed for collection, transport and storage of specimens
- Containers are uniquely stackable, shatter resistant and leak-resistant
- SecurTainer I™ and SecurTainer II™ offer different closure options

SecurTainer I™

SecurTainer II™

Product Number	Description	Pkg Size	Special Price
SPC57520MA	SecurTainer™ I, Non Sterile, 20 mL	500	\$64.00
SPC57540MA	SecurTainer™ I, Non Sterile, 40 mL	500	68.00
SPC57560MA	SecurTainer™ I, Non Sterile, 60 mL	500	73.00
SPC57590MA	SecurTainer™ I, Non Sterile, 90 mL	400	81.00
SPC575120MA	SecurTainer™ I, Non Sterile, 120 mL	300	101.00
SPC57620MA	SecurTainer™ II, Non Sterile, 20 mL	500	\$64.00
SPC57640MA	SecurTainer™ II, Non Sterile, 40 mL	500	68.00
SPC57660MA	SecurTainer™ II, Non Sterile, 60 mL	500	73.00
SPC57690MA	SecurTainer™ II, Non Sterile, 90 mL	400	81.00
SPC576120MA	SecurTainer™ II, Non Sterile, 120 mL	300	101.00

### Tamperproof Specimen Containers

- Ideal for collection, transport and storage of fluids, powders, solids, pathology specimens and hazardous samples
- Tight-fitting lids prevent leaks and odors
- Containers resist temperatures up to 121°C and lids up to 80°C

Product Number	Description	Pkg Size	Special Price
SPC581300	Tamperproof Specimen Containers, 300 mL	100	\$46.00
SPC581500	Tamperproof Specimen Containers, 500 mL	100	50.00
SPC5811L	Tamperproof Specimen Containers, 1000 mL	100	73.00
SPC5812L	Tamperproof Specimen Containers, 2500 mL	25	53.00
SPC5815L	Tamperproof Specimen Containers, 5500 mL	10	44.00

### HistoTainer™ — Sample Containers 50% Filled with 10% Neutral Buffered Formalin

- Designed for collection, transport and storage of histology specimens
- 10% Neutral Buffered Formalin penetrates quickly, but fixes slowly
- The Simport Formalin is enhanced by a buffering capacity that optimizes histological results by light microscopy and immunohistochemistry
- Recommended for use in Microbiology, Urinalysis, Pathology, Drug Testing and Histology Laboratories

Product Number	Description	Pkg Size	Special Price
SPM96020FMA	HistoTainer™, Pre-filled, 20 mL	96	39.00
SPM96040FMA	HistoTainer™, Pre-filled, 40 mL	96	47.00
SPM96060FMA	HistoTainer™, Pre-filled, 60 mL	96	54.00
SPM96090FMA	HistoTainer™, Pre-filled, 90 mL	96	58.00
SPM960120FMA	HistoTainer™, Pre-filled, 120 mL	96	87.00

### MicrewLock™ Microcentrifuge Tubes

- Ideal for freezer storage, boiling applications, centrifugation, etc. and will fit most standard microcentrifuge rotors
- The O-ring secured in the cap ensures a positive leakproof seal
- Conical bottom tubes can be centrifuged up to 20,000g
- Certified RNase, DNase, DNA and Pyrogen Free

Product Number	Description	Pkg Size	Special Price
SPT3412TTP	MicrewLock™ TUBES ONLY, 0.5 mL, Self-Standing	1000	\$46.00
SPT3414TTP	MicrewLock™ TUBES ONLY, 1.5 mL, Self-Standing	1000	46.00
SPT3415TTP	MicrewLock™ TUBES ONLY, 1.5 mL, without skirt	1000	46.00
SPT3416TTP	MicrewLock™ TUBES ONLY, 2.0 mL, Self-Standing	1000	46.00
SPT3417TTP	MicrewLock™ TUBES ONLY, 2.0 mL, without skirt	1000	46.00
SPT340NOSFTTP	Flat Cap with O-Ring Seal, Natural	1000	98.00

### CryoLock™ Tamper Evident Cryogenic Vial

- Designed for storing biological material, human or animal cells, at temperatures as low as -196° C (but should be used only in the gas phase of liquid nitrogen)
- Features an exclusive silicone seal as well as a specially designed lip fitted inside of the cap to ensure a positive seal at any temperature
- Certified RNase, DNase, DNA and Pyrogen Free

Product Number	Description	Pkg Size	Special Price
SPT3101ATP	CryoLock™ Cryogenic Vials, 1.2 mL with O-ring and Cap	1000	\$260.00
SPT3102ATP	CryoLock™ Cryogenic Vials, 2 mL with O-ring and Cap	1000	260.00
SPT3105ATP	CryoLock™ Cryogenic Vials, 5 mL with O-ring and Cap	1000	316.00

### Tamper Evident Transport Tubes

- Self-Standing Tubes
- Features a leakproof seal and external threads

Product Number	Description	Pkg Size	Special Price
SPT55210ATTP	Tamper Evident Transport Tubes, 10 mL (graduated)	1000	\$59.00
SPT55212ATTP	Tamper Evident Transport Tubes, 12 mL (graduated)	1000	61.00
SPT5525ATTP	Tamper Evident Transport Tubes, 5 mL (graduated)	1000	53.00
SPT5527ATTP	Tamper Evident Transport Tubes, 7 mL	1000	55.00
SPT57230ATTP	Tamper Evident Transport Tubes, 30 mL (graduated)	500	45.00
SPT55230WTP	Cap for 30 mL Tamper Evident Tubes	500	23.00
SPT5527WTP	Cap for 7 mL Tamper Evident Tubes	1000	35.00
SPT552WTP	Cap for 5,10 and 12 mL Tamper Evident Tubes	1000	34.00
